The McKenzie Award

Bronwen Cowie

Bronwen Cowie

This citation for the NZARE McKenzie Award recognises the outstanding contribution in education research made by Professor Bronwen Cowie. Previously Bronwen held the position of Director of the Wilf Malcolm Institute of Educational Research, and of the Centre for Science, Technology and Environmental Education Research at Te Kura Toi Tangata, the Division of Education at the University of Waikato. Since 2009 she has been the Associate Dean Research. Throughout this time Bronwen has been an ongoing supporter and active member of NZARE.
